

JILL MONACO
MINISTRIES

Speaker | Author | Coach

Jill Monaco is the founder of Jill Monaco Ministries and has a passion to encourage people to pursue the presence of God and find freedom in Christ.

As a vibrant keynote speaker, author and credentialed life coach, Jill has inspired audiences large and small to experience the heart of God. She is known for captivating audiences with her high-energy, humorous approach to life's serious issues. Her faith-filled and transparent stories encourage listeners to become all that God has created and redeemed them to be.

Jill's message of experiencing the love of Father God comes from a place of deep personal need. After being abused as a child she encountered God's healing presence as she overcame fear of rejection, shame and insecurity. Now, she shares a message of faith, hope and love. Jill believes once you encounter the love of God, you can't help but give it away.

Jill has a passion to encourage listeners, despite what they've gone through, to love well. As a life coach, her teaching is sprinkled with a call for people to live intentional lives empowered by the knowledge of who they are in Christ. She affirms the listener of their purpose and challenges them to advance the kingdom of God. Audiences walk away feeling empowered to go after their hopes and dreams.

"Love is powerful when it comes to you, is cultivated in you
and communicated through you."

Jill has become a dear friend as we've worked together over the years, and I find her sensitivity to the Holy Spirit's desire to love and heal His children is only matched by her own love and care for people while walking with them on their journey toward freedom.
